GODFLOW

MPLS TWIN CITIES ST.PL

GodFlow is a Twin Cities outreach event utilizing Christian hip hop ministers, gospel singers and athletes as means to communicate the Gospel message to urban youth, while commissioning them to be active and diligent in being a voice in their community to deconstruct racism in their cities. GodFlow will include a youth prayer rally, intermittent prayers, and a keynote speaker. Organized basketball tournaments will be facilitated by some of the best players in the community from middle school to the NBA. Godflow will include a city-wide march for peace lead by African American fathers and their sons. Outreach to offer salvation to urban inner city youth, while equipping them to with tangible resources and programming that will meet their practical and spiritual needs, empowering them to be successful throughout the year. We aim to work with churches, businesses, non profits and schools to reduce violence in the urban community. In addition to challenging all people to denounce blatant and systemic racism and live a life of freedom on earth through Jesus Christ.
